

ARTICLE I. IN GENERAL

Section 1. Short title.

This Ordinance shall be known, designated and cited as "The License Tax Ordinance of Middlesex County, 2004."

Section 2. Overriding conflicting ordinances.

Except as may be otherwise provided by the laws of the Commonwealth of Virginia, and notwithstanding any other current ordinances or resolutions enacted by the county, whether or not compiled in the Code of the county, to the extent of any conflict, the following provisions shall be applicable to the levy, assessment, and collection of licenses required and taxes imposed on businesses, trades, professions and callings and upon the persons, firms and corporations engaged therein within the County.

Section 3. Definitions.

For the purposes of this chapter, the following words and phrases shall have the meaning respectively ascribed to them by this section:

Affiliated group:

- (1) One or more chains of includible corporations connected through stock ownership with a common parent corporation which is an includible corporation if:
 - a. Stock possessing at least 80 percent of the voting power of all classes of stock and at least 80 percent of each class of the nonvoting stock of each of the includible corporations, except the common parent corporation, is owned directly by one or more of the other includible corporations; and
 - b. The common parent corporation directly owns stock possessing at least 80 percent of the voting power of all classes of stock and at least 80 percent of each class of the nonvoting stock of at least one of the other includible corporations. As used in this definition, the term "stock" does not include nonvoting stock which is limited and preferred as to dividends. The term "includible corporation" means any corporation within the affiliated group irrespective of the state or country of its incorporation; and the term "receipts" includes gross receipts and gross income.
- (2) Two or more corporations if five or fewer persons who are individuals, estates, or trusts own stock possessing:
 - a. At least 80 percent of the total combined voting power of all classes of stock entitled to vote or at least 80 percent of the total value of shares of all classes of the stock of each corporation; and
 - b. More than 50 percent of the total combined voting power of all classes of stock entitled to vote or more than 50 percent of the total value of shares of all classes of stock of each corporation, taking into account the stock ownership of each such person only to the extent such stock ownership is identical with respect to each such corporation.

Business License Tax Ordinance
Adopted December 20, 2005

When one or more of the includible corporations, including the common parent corporation is a nonstock corporation, the term “stock” as used in this definition, shall refer to the nonstock corporation membership or membership voting rights, as is appropriate to the context.

Assessment. A determination as to the proper rate of tax, the measure to which the tax rate is applied, and ultimately the amount of tax, including additional or omitted tax, that is due. An assessment shall include a written assessment made pursuant to notice by the assessing official or a self-assessment made by a taxpayer upon the filing of a return or otherwise not pursuant to notice. Assessments shall be deemed made by an assessing official when a written notice of assessment is delivered to the taxpayer by the assessing official or an employee of the assessing official, or mailed to the taxpayer at his last known address. Self-assessments shall be deemed made when a return is filed, or if no return is required, when the tax is paid. A return filed or tax paid before the last day prescribed by this chapter for the filing or payment thereof shall be deemed to be filed or paid on the last day specified for the filing of a return or the payment of tax, as the case may be.

Assessor or assessing official. The commissioner of the revenue or business license inspector for the county.

Base year. The calendar year preceding the license year, except for contractors subject to the provisions of Section 58.1-3715 of the Code of Virginia.

Business. A course of dealing which requires the time, attention and labor of the person so engaged for the purpose of earning a livelihood or profit. It implies a continuous and regular course of dealing, rather than an irregular or isolated transaction. A person may be engaged in more than one business. The following acts shall create a rebuttable presumption that a person is engaged in a business: (i) advertising or otherwise holding oneself out to the public as being engaged in a particular business; or (ii) filing tax returns, schedules and documents that are required only of persons engaged in a trade or business.

Contractor: Any person, firm or corporation:

- (1) Accepting or offering to accept orders for contracts for doing any work on or in any building or structure, requiring the use of paint, stone, brick, mortar, wood, cement, structural iron or steel, sheet iron, galvanized iron, metallic piping, tin, lead, or other metal or any other building material;
- (2) Accepting or offering to accept contracts to do any paving, curbing or other work on sidewalks, streets, alleys, or highways, or public or private property, using asphalt, brick, stone, cement, concrete, wood or any composition;
- (3) Accepting or offering to accept an order for or contract to excavate earth, rock, or other material for foundation or any other purpose or for cutting, trimming or maintaining right-of-ways;
- (4) Accepting or offering to accept an order or contract to construct any sewer of stone, brick, terra cotta, or other material;

- (5) Accepting or offering to accept orders or contracts for doing any work on or in any building or premises involving the erecting , installing, altering, repairing, servicing, or maintaining electric wiring, devices or appliances permanently connected to such wiring, or the erecting, repairing or maintaining of lines for the transmission or distribution of electric light and power.
- (6) Engaging in the business of plumbing and steam fitting.

Definite place of business. An office or a location at which occurs a regular and continuous course of dealing for 30 consecutive days or more. A definite place of business for a person engaged in business may include a location leased or otherwise obtained from another person on a temporary or seasonal basis; and real property leased to another. A person=s residence shall be deemed to be a definite place of business if there is no definite place of business maintained elsewhere and the person is not licensable as a peddler or itinerant merchant.

License year. The calendar year for which a license is issued for the privilege of engaging in business. *Personal services.* Rendering for compensation any repair, personal, business or other services not specifically classified as “financial, real estate or professional service” under this chapter, or rendered in any other business or occupation not specifically classified in this chapter unless exempted from local license tax.

Purchases. All goods, wares and merchandise received or offered for sale at each definite place of business of every wholesaler or wholesale merchant, and shall not be construed to exclude any goods, wares or merchandise otherwise coming within the meaning of such word, including such goods, wares and merchandise manufactured by a wholesaler or wholesale merchant and sold or offered for sale as merchandise.

Real estate services. Rendering a service for compensation as lessor, buyer, seller, agent or broker and providing a real estate service, unless the service is otherwise specifically provided for in this chapter.

Retailer or retail merchant. Any person or merchant who sells goods, wares and merchandise for use or consumption by the purchaser or for any purpose other than resale by the purchaser, but does not include sales at wholesale to institutional, commercial and industrial users.

Wholesaler or wholesale merchant. Any person or merchant who sells wares and merchandise for resale by the purchaser, including sales when the goods, wares and merchandise will be incorporated into goods and services for sale, and also includes sales to institutional, commercial and industrial users which because of the quantity, price, or other terms indicate that they are consistent with sales at wholesale.

Section 4. Adoptions of guidelines.

Except as otherwise modified by this chapter, there is hereby adopted by reference as if fully set forth herein the *Guidelines for Business, Professional and Occupational License Tax Imposed by City, County and Town Ordinances*, issued by the Commonwealth of Virginia Department of Taxation dated January 1, 2000.

Section 5. License requirement.

(a) Every person engaging in the county in any business, trade, profession, occupation or calling (collectively hereinafter "a business") as defined in this chapter, unless otherwise exempted by law, shall apply for a license for each such business if: (i) in the case of professional services, such person either maintains a definite office in the county, or if such person does not maintain a definite office in the Commonwealth of Virginia but does maintain an abode in the county, which abode for the purposes of this chapter shall be deemed a definite place of business; or (ii) in the case of any other business, such person has a definite place of business or maintains an office in the county; or (iii) such person is engaged as a peddler or itinerant merchant, carnival or circus as specified in Sections 58.1-3717, 58.1-3718, or 58.1-3728, respectively of the Code of Virginia, or is a contractor subject to Section 58.1-3715 of the Code of Virginia, or is a public service corporation subject to Section 58.1-3731 of the Code of Virginia. A separate license shall be required for each definite place of business.

(b) A person engaged in two or more businesses or professions carried on at the same place of business may elect to obtain one license for all such businesses and professions if all of the following criteria are satisfied: (i) each business or profession is licensable at the location and has satisfied any requirements imposed by state law or other provisions of the county code; (ii) all of the businesses or professions are subject to the same tax rate, or, if subject to different tax rates, the licensee agrees to be taxed on all businesses and professions at the highest rate; and (iii) the taxpayer agrees to supply such information as the assessor may require concerning the nature of the several businesses and their gross receipts.

(c) Each person subject to a license tax and/or fee shall obtain a license within ten days of beginning business, if he was not licensable in the county on or before January 1 of the license year. The application shall be on forms prescribed by the assessing official. Any application for renewal shall be submitted prior to March 1 of each license year.

(d) The tax and/or fee shall be paid with the application in the case of any license not based on gross receipts or purchases. If the tax is measured by the gross receipts or purchases of the business, the tax shall be paid on or before April 5.

(e) The assessing official may grant an extension of time, not to exceed 90 days, in which to file an application for a license for good cause. The extension may be conditioned upon the timely payment of a reasonable estimate of the appropriate tax, subject to adjustment to the correct tax at the end of the extension together with interest from the due date until the date paid and, if the estimate submitted with the extension is found to be unreasonable under the circumstances, a penalty of ten percent of the portion paid after the due date.

(f) A penalty of ten percent of the tax or \$10.00, whichever is greater, may be imposed upon the failure to file an application or the failure to pay the tax and/or fee by the appropriate due date. Only the late filing penalty shall be imposed by the assessing official if both the application and payment are late; however both penalties may be assessed if the assessing official determines that the taxpayer has a history of noncompliance. In the case of an assessment of additional tax made by the assessing official, if the application and, if applicable, the return were made in good faith and the understatement of the tax was not due to any fraud, reckless or intentional disregard of the law by the taxpayer, there shall be no late payment penalty assessed with the additional tax. If any assessment of tax by the assessing official is not paid within thirty days the treasurer may impose a ten percent late payment penalty. The penalties shall not be imposed, or if imposed, shall be abated by the official who assessed them, if the failure to file or

pay was not the fault of the taxpayer. In order to demonstrate lack of fault, the taxpayer must show that he acted responsibly and that the failure was due to events beyond his control.

(g) For the purpose of this section, the following words and phrases shall have the meanings respectively ascribed to them:

Acted responsibly means that (i) the taxpayer exercised the level of reasonable care that a prudent person would exercise under the circumstances in determining the filing obligations for the business; and (ii) the taxpayer undertook significant steps to avoid or mitigate the failure, such as requesting appropriate extensions, attempting to prevent a foreseeable impediment, acting to remove an impediment once it occurred, and promptly rectifying a failure once the impediment was removed or the failure discovered.

Events beyond the taxpayer's control include, but are not limited to, the unavailability of records due to fire or other casualty; the unavoidable absence (e.g., due to death or serious illness) of the person with the sole responsibility for tax compliance; or the taxpayer's reasonable reliance in good faith upon erroneous written information from the assessing official, who was aware of the relevant facts relating to the taxpayer's business when he provided the erroneous information.

(h) Interest shall be charged on the late payment of the tax and/or fee from the due date until the date paid without regard to fault or other reason for the late payment. Whenever an assessment of additional or omitted tax by the assessing official is found to be erroneous, all interest and penalty charged and collected on the amount of the assessment found to be erroneous shall be refunded from the date of payment or the date due, whichever is later. Interest shall be paid on any refund from the date of payment or date due, whichever is later. Interest on any refund shall be paid at the same rate charged to the taxpayer.

Section 6. Exemptions.

No license tax and/or fee shall be assessed or charged to any person prosecuting any business or businesses in which the aggregate gross receipts are \$4,000.00 or less in any license tax year; provided, however, all such persons shall provide the commissioner of the revenue, on a form provided by him, all information otherwise required to apply for a license. This exemption shall apply only to those businesses upon which taxes are imposed based upon gross receipts and shall specifically not apply to businesses upon which taxes are imposed by sections 28, 47, 99, 106, 120.1 or 131.

Section 7. Duty of applicant to ascertain zoning.

It shall be the duty of every person applying for a business license to ascertain whether the location for the conducting of such business, trade or occupation is properly zoned and has all necessary use permits before making application for such business license as may be required. The commissioner of the revenue, in any case where he suspects the location is not properly zoned for the type of business, trade or occupation proposed by the applicant, shall refuse to issue such business license until a certificate is issued by the zoning administrator, stating that the location is properly zoned and the necessary use permits, if any, have been granted. The issuance

of a business license by the commissioner shall not be deemed to be approval by the county or otherwise to be in compliance with the zoning ordinance or any other local law or regulation.

Section 8. Penalty for not making application.

Any person doing business, carrying on any trade or calling, or practicing any profession within the county, and any person who shall open an office for a place of business, or who shall by use of signs or otherwise advertise any trade, business or profession within the county, shall make application to the commissioner of the revenue for the license due under this chapter, as provided in section 5, and any person failing to make such application shall be subject to a fine of not less than \$25.00 nor more than \$300.00 as the judge or jury may determine.

Section 9. Penalties for nonpayment of license tax.

(a) Any person conducting any business, occupation or profession, or doing other things for which a license tax is required under this chapter, without applying for and obtaining such license as set forth in section 5, or who shall fail to obtain any tag, certificate or sign required under this chapter, shall be subject to a fine of not less than \$25.00 nor more than \$300.00, and each day of default shall constitute a separate offense. Such conviction shall not relieve any such person from the payment of any license tax imposed by this chapter.

(b) In addition to the above fine, if any license tax imposed by this chapter is not paid within the time prescribed in section 5, there shall be added to such license tax a penalty of ten percent or \$10.00 whichever shall be the greater; provided, however, that the penalty shall in no case exceed the amount of tax due. In addition thereto, interest in the amount of ten percent per annum shall commence the first day of the month following the month in which such tax is due.

(c) In the case of a false or fraudulent application where willful intent exists, a penalty of 50 percent of the amount of the proper tax shall be assessed.

Section 10. License tax on beginners.

For the purpose of ascertaining the tax to be paid by any person beginning a new business, employment or profession, and whose license tax shall be based on gross receipts, gross sales, gross purchases, gross commissions, gross contracts or orders, the licensee shall estimate the basis for measuring the license tax between the date of issuance of the license and the thirty-first of December following.

Section 11. Estimates.

Every underestimate under the preceding section shall be subject to correction by the commissioner of the revenue, whose duty it shall be to assess such licensee with such additional taxes as may be found to be due after the close of the license year on the basis of gross receipts, gross sales, gross purchases, gross commissions, or gross contracts or orders. In case of overestimate, the commissioner of the revenue shall order a refund in the amount of the overpaid tax, upon application of licensee.

Section 12. Keeping of records; penalty for failure to keep records.

(a) Every person liable for a license tax under this chapter which is based on actual or probable purchases or sales, actual or probable commissions, gross receipts from a business or profession, contracts or orders accepted or graded in any other way shall, where such tax is based on actual or probable purchases or sales, keep all invoices and a record of all purchases and from whom made, a record of all commissions, gross receipts, and contracts or orders accepted, from whom received and with whom made, and the report of such purchases, sales, commissions, receipts, contracts or orders accepted, required to be made for the computation of such license tax, shall be taken from such invoices and records and general books of account.

(b) All such invoices, records and general books of account shall be opened to inspection and examination on the premises of the business, employment or profession by the commissioner of the revenue, license inspector, or any assistant license inspector.

(c) Any person who shall fail or refuse to keep such invoices or records as above provided shall be subject to a fine of not less than \$25.00 nor more than \$300.00 in addition to the license tax imposed.

Section 13. Penalty for failing to file statement required and for making false statement.

If any person subject to the payment of a license tax required under this chapter should fail or refuse to file the statement or statements required by this chapter, or who should make any false statement in the affidavit required by this chapter, shall, upon conviction thereof, be fined not less than \$50.00 nor more than \$300.00 or confined in jail not more than 30 days, or both, in the discretion of the court or jury.

Section 14. Production of records and penalty for failure to produce.

(a) Should an officer of the county, charged in any manner with the duty of assessing or collecting license taxes, have reason to believe, in any case, that the amount of actual or probable purchases or sales, or actual or probable commissions, or the gross or net receipts from any business or profession, or any other matters that may be pertinent to the assessment of such license tax, have been incorrectly reported or returned, he shall make a report thereof to the commissioner of the revenue, whereupon, in any case in which the commissioner of the revenue shall deem it advisable, the commissioner of the revenue shall investigate and ascertain whether such person has made a correct return, and to that end, the commissioner of the revenue is hereby authorized and empowered to summon such person before him and require the production of any and all of his records, books and papers likely to throw any light upon the matter under investigation, and shall also be authorized and empowered to make, or cause to be made, such other and further reasonable investigations, examinations and audits of the records, books and papers of such person as he shall deem proper, and in order to accurately determine the proper return to be made by such person.

(b) If it shall appear that such purchases, sales, commissions, receipts or other matters pertinent to such assessment have been incorrectly reported or returned, the commissioner of the revenue shall assess such person with the proper county license tax.

(c) And if it shall appear to the commissioner of the revenue that such purchases, sales, commissions, receipts or other matters pertinent to such assessment have been willfully incorrectly reported or returned, such person shall be assessed, in addition to such increased license tax assessed, a penalty of 50 percent of such increased assessment. Any incorrect report of return shall be deemed prima facie willful.

(d) Any person who shall fail to appear before the commissioner of the revenue and produce such records, books and papers, when duly summoned, or who shall refuse to permit the commissioner of the revenue to make or cause to be made such other and further investigation and audit of such books and papers, shall, upon conviction thereof, be fined not more than \$300.00.

Section 15. Assessment of additional license taxes.

(a) Whenever an officer of the county charged in any manner with the duty of assessing or collecting license taxes shall find that any person should be assessed with any additional license tax or taxes, pursuant to the provisions of this chapter, it shall be his duty to report the matter, together with the amount thereof, to the commissioner of the revenue who, if the commissioner agrees with the finding, shall thereupon assess such person with such additional license tax or taxes, and shall also transmit a copy of such additional assessment to the county treasurer.

(b) In the event the additional license tax or taxes so assessed shall not have been paid within 30 days after such assessment, the county treasurer shall proceed to collect such tax or taxes in the same manner and with the same authority as all other taxes are collected and a penalty of five percent shall be added.

Section 16. Display of license; penalty for violation.

Every person required to pay a license tax or obtain any tag or sign under the provisions of this chapter shall keep the license tag or sign in a prominent place; and, whenever required to do so, shall exhibit it to any member of the sheriff's department or to the license inspector. Any person violating the provisions of this section, or any person failing to properly display license tag or grower's sign required under this chapter to be displayed in a particular way, shall, upon conviction, be fined not to exceed \$25.00 and each day of such violation shall constitute a separate offense.

Section 17. Situs of gross receipts.

(a) *General rule.* Whenever the tax imposed by this chapter is measured by gross receipts, the gross receipts included in the taxable measure shall be only those gross receipts attributed to the exercise of a licensable privilege at a definite place of business within the county. In the case of activities conducted outside of a definite place of business, such as during a visit to a customer location, the gross receipts shall be attributed to the definite place of business from which such activities are initiated, directed, or controlled. The situs of gross receipts for different

classifications of business shall be attributed to one or more definite places of business or offices as follows:

- (1) The gross receipts of a contractor shall be attributed to the definite place of business at which his services are performed, or if his services are not performed at any definite place of business, then the definite place of business from which his services are directed or controlled, unless the contractor is subject to the provisions of section 58.1-3715 of the Code of Virginia.
- (2) The gross receipts of a retailer or wholesaler shall be attributed to the definite place of business at which sales solicitation activities occur, or if sales solicitation activities do not occur at any definite place of business, then the definite place of business from which sales solicitation activities are directed or controlled.
- (3) The gross receipts of a business renting tangible personal property shall be attributed to the definite place of business from which the tangible personal property is rented or, if the property is not rented from any definite place of business, then the definite place of business at which the rental of such property is managed.
- (4) The gross receipts from the performance of personal services shall be attributed to the definite place of business at which the services are performed or, if not performed at any definite place of business, then the definite place of business from which the services are directed or controlled.

(b) *Apportionment.* If the licensee has more than one definite place of business and it is impractical or impossible to determine to which definite place of business gross receipts should be attributed under the general rule and the affected jurisdictions are unable to reach an apportionment agreement, the gross receipts of the business shall be apportioned between the definite places of businesses as provided in section 58.1- 3709 of the Code of Virginia. Gross receipts shall not be apportioned to a definite place of business unless some activities under the applicable general rule occurred at, or were controlled from, such definite place of business. Gross receipts attributable to a definite place of business in another jurisdiction shall not be attributed to the county in the event the other jurisdiction does not impose a tax on the gross receipts attributable to the definite place of business in such other jurisdiction.

(c) *Agreements.* The assessor may enter into agreements with any other political subdivision of Virginia concerning the manner in which gross receipts shall be apportioned among definite places of business. However, the sum of the gross receipts apportioned by the agreement shall not exceed the total gross receipts attributable to all of the definite places of business affected by the agreement. In the event the assessing official is notified or becomes aware that its method of attributing gross receipts is fundamentally inconsistent with the method of one or more political subdivisions in which the taxpayer is licensed to engage in business and that the difference has, or is likely to, result in taxes on more than 100 percent of its gross receipts from all locations in the affected jurisdictions, the assessor shall make a good faith effort to reach an apportionment agreement with the other political subdivisions involved.

Section 18. Limitations, extensions, appeals and rulings.

The enforcement of the provisions of this chapter including limitations with respect thereto, the correction of any assessment hereunder and any appeal by the county of a correction made by its assessing official or by any person assessed with taxes hereunder and aggrieved by

such assessment shall be pursuant to chapter 39, title 58.1 of the Code of Virginia; provided, however:

- (1) Any person assessed with a licensing tax under this chapter as the result of an audit may apply within 90 days from the date of such assessment to the assessing official for a correction of the assessment. The application must be filed in good faith and sufficiently identify the taxpayer, audit period, remedy sought, each alleged error in the assessment, the grounds upon which the taxpayer relies, and any other facts relevant to the taxpayer's contention. The assessor may hold a conference with the taxpayer if requested by the taxpayer, or require submission of additional information and documents, further audit, or other evidence deemed necessary for a proper and equitable determination of the applications. The assessment shall be deemed prima facie correct. The assessor shall undertake a full review of the taxpayer's claims and issue a determination to the taxpayer setting forth its position. Every assessment pursuant to an audit shall be accompanied by a written explanation of the taxpayer's right to seek correction and the specific procedure to be followed in the jurisdiction (e.g., the name and address to which an application should be directed).
- (2) Provided a timely and complete application is made collection activity shall be suspended until 30 days after the final determination is issued by the assessor, unless the assessor determines that collection would be jeopardized by delay or that the taxpayer has not responded to a request for relevant information after a reasonable time. Interest shall accrue in accordance with the provisions of section 10 12-5(h), but no further penalty shall be imposed while collection action is suspended. The term "jeopardized by delay" includes a finding that the application is frivolous, or that a taxpayer desires (i) to depart quickly from the locality, (ii) to remove his property therefrom, (iii) to conceal himself or his property therein, or (iv) to do any other act tending to prejudice, or to render wholly or partially ineffectual, proceedings to collect the tax for the period in question.
- (3) A taxpayer may apply within 90 days of the determination made by the assessing official on an application pursuant to paragraph (1) of this section to the Commissioner of the Virginia Department of Taxation for a correction of such assessment. The tax commissioner shall issue a determination to the taxpayer within 90 days of receipt of the taxpayer's application, unless the taxpayer and the assessing official are notified that a longer period will be required.
- (4) On receipt of a notice of intent to file an appeal to the tax commissioner the assessing official shall further suspend collection activity until a final determination is issued by the tax commissioner, unless the assessor determines that collection would be jeopardized by delay or that the taxpayer has not responded to a request for relevant information after a reasonable time. Interest shall accrue but no further penalty shall be imposed while collection action is suspended. The term "jeopardized by delay" shall have the same meaning as set forth in paragraph (2) of this section.
- (5) Any taxpayer may request a written ruling regarding the application of the tax to a specific situation from the assessor. Any person requesting such a ruling must provide all the relevant facts for the situation and may present a rationale for the basis of an interpretation of the law most favorable to the taxpayer. Any misrepresentation or change in the applicable law or the factual situation as presented in the ruling request shall invalidate any such ruling issued. A written ruling may be revoked or

amended prospectively if (i) there is a change in the law, a court decision, or (ii) the assessor notifies the taxpayer of a change in the policy or interpretation upon which the ruling was based. However, any person who acts on a written ruling which later becomes invalid shall be deemed to have acted in good faith during the period in which such ruling was in effect.

Section 19. Recordkeeping and audits.

Every person who is assessable with a license tax shall keep sufficient records to enable the assessor to verify the correctness of the tax paid for the license years assessable and to enable the assessor to ascertain what is the correct amount of tax that was assessable for each of those years. All such records, books of accounts and other information shall be open to inspection and examination by the assessor in order to allow the assessor to establish whether a particular receipt is directly attributable to the taxable privilege exercised within the county. The assessor shall provide the taxpayer with the option to conduct the audit in the taxpayer's local business office, if the records are maintained there. In the event the records are maintained outside the county, copies of the appropriate books and records shall be sent to the assessor's office upon demand.

Section 20. Exclusions and deductions from gross receipts.

(a) *General rule.* Gross receipts for license tax purposes shall not include any amount not derived from the exercise of the licensed privilege to engage in a business or profession in the ordinary course of business or profession.

(b) *Exclusions.* The following items shall be excluded from gross receipts:

- (1) Amounts received and paid to the United States, the commonwealth or any county, city or town for the Virginia retail sales or use tax, for any local sales tax or any local excise tax on cigarettes, or for any federal or state excise taxes on motor fuels.
- (2) Any amount representing the liquidation of a debt or conversion of another asset to the extent that the amount is attributable to a transaction previously taxed (e.g., the factoring of accounts receivable created by sales which have been included in taxable receipts even though the creation of such debt and factoring are a regular part of its business).
- (3) Any amount representing returns and allowances granted by the business to its customer.
- 4) Receipts, which are the proceeds of a loan transaction in which the licensee is the obligor.
- (5) Receipts representing the return of principal of a loan transaction in which the licensee is the creditor, or the return of principal or basis upon the sale of a capital asset.
- (6) Rebates and discounts taken or received on account of purchases by the licensee. A rebate or other incentive offered to induce the recipient to purchase certain goods or services from a person other than the offeror, and which the recipient assigns to the

licensee in consideration of the sale of goods and services shall not be considered a rebate or discount to the licensee, but shall be included in the licensee's gross receipts together with any handling or other fees related to the incentives.

- (7) Withdrawals from inventory for which no consideration is received and the occasional sale or exchange of assets other than inventory, whether or not a gain or loss is recognized for federal income tax purposes.
- (8) Investment income not directly related to the privilege exercised by a licensable business not classified as rendering financial services. This exclusion shall apply to interest on bank accounts of the business, and to interest, dividends and other income derived from the investment of its own funds in securities and other types of investments unrelated to the licensed privilege. This exclusion shall not apply to interest, late fees and similar income attributable to an installment sale or other transaction that occurred in the regular course of business.

Section 21. Rates of license taxes and fees.

Effective January 01, 2005, there is hereby imposed, a thirty dollar (\$30.00) annual license fee on all businesses that have gross receipts exceeding \$4,000 in Middlesex County.

Effective January 1, 2006, the following shall apply: except as may be specifically otherwise provided by this chapter or other law, there shall be an annual license fee of \$30.00 charged to any class of business requiring a license pursuant to this chapter that has gross receipts exceeding \$4,000.00 but less than \$50,000.00. For all businesses requiring a license pursuant to this chapter with gross receipts of \$50,000.00 or more the annual charge shall be either the \$30.00 license fee or the tax calculated based on the rate set forth below for the class of enterprise listed, whichever is greater. For the purpose of this chapter, gross receipts shall be the aggregate of all gross receipts for all licensable enterprises at a particular place of business.

- (1) For contractors and persons constructing for their own account for sale, \$0.05 cents per \$100.00 of gross receipts;
- (2) For retailers, \$0.07 cents per \$100.00 of gross receipts;
- (3) For financial, real estate and professional services, \$0.19 cents per \$100.00 of gross receipts;
- (4) For repair, personal and business services and all other businesses and occupations not specifically listed or exempted in this article or otherwise by law, \$0.12 cents per \$100.00 of gross receipts;
- (5) For wholesalers, \$0.02 cents per \$100.00 of purchases (see section 58.1-3716 of the Code of Virginia for limitations);
- (6) For carnivals, circuses and speedways, \$500.00 per year held in this jurisdiction (see section 58.1-3728 of the Code of Virginia for limitations);
- (7) For fortune tellers, clairvoyants and practitioners of palmistry, \$300.00 per year;
