

## **MIDDLESEX WATER AUTHORITY:**

- Incentive is 50% reduction of Initial Connection Fee  
(Example: The standard rate for ¾ meter size \$10,000, so incentivized rate is \$5,000. Larger meter sizes available at varying rates)
- Incentivized Rate will expire on June 1, 2016
- Deposit of \$500 or 10% of connection fee is due with completion of Subscriber Agreement and the balance is due upon meter connection.

## **EDA Criteria for Commercial Water Subscribers Grant:**

- \* The objective of the EDA grant is to encourage as many Business Subscribers as possible
- \* \$100,000 total sum allotted by the EDA for grant funding for Middlesex Water Authority
- \* Grant is on a First Come, First Served Basis
- \* Grant is 50% of Connection Fee or an amount of \$2,500, whichever is less
- \* This grant is offered to the first forty (40) eligible commercial properties including current subscribers and future subscribers and will stand until either ended or rescinded by the Economic Development Authority or until the EDA's funds have been exhausted.
- \* Payment due will be made directly to the Middlesex Water Authority on behalf of the property owner when the subscriber pays for the final connection fee balance.
- \* The Economic Development Authority intends that this grant shall be applicable to water services that are offered in established service areas by the Middlesex Water Authority anywhere in Middlesex County. (To remain in effect until and unless withdrawn by the Authority.)

### **Eligibility:**

1. EDA Incentive is for commercially used properties only
2. EDA Incentive is to be used for the water connection fee only
3. Business must be located in the service deployment area
4. There is no limit of connections a business is allowed
5. There are no meter size requirements
6. Copy of business license needs to be provided unless it is an undeveloped property
7. Commercially designated vacant lots can request EDA incentive (General Business or Village Community)
8. Previously subscribed businesses can request the EDA incentive
9. Commercial entities need to be tax-paying subscribers
